WELCOME TO JOPLIN, MISSOURI

Missouri Southern is a public university located in a city of 50,000 that serves as a hub for the surrounding areas. Although the metro area has a daytime population of over 250,000, we enjoy the safe and welcoming environment of a smaller community without sacrificing the conveniences and advantages of a much bigger city.

Joplin has a modern airport and taxicab services. The crime rate is low compared to major urban areas, and the cost of living is well below the national average. The city serves as the arts, healthcare, entertainment, and shopping destination for Southwest Missouri.
