

LION LOWDOWN

Industrial Engineering Technology

IET prepares you for a productive career in manufacturing, as well as business and service enterprises. Graduates with this degree figure out how to make or do things better. They increase efficiency, improve the quality of products and services, and ensure worker health and safety.

Degree Options

- Bachelor of Science - Industrial Engineering Technology (IET)
- Associate of Science - Manufacturing Engineering Technology (MET)
- Continuous Process Improvement Certificate
- Automation Certificate

The B.S. in Industrial Engineering Technology is accredited by the Engineering Technology Accreditation Commission of ABET

<https://www.abet.org>

JOB TITLES OF OUR GRADUATES:

- Industrial Engineer
- Manufacturing Engineer
- Process Engineer
- Quality Engineer

INDUSTRIES OUR GRADUATES HAVE POSITIONS IN:

- Aerospace
- Defense
- Aviation
- Automotive
- Food and Pet Food
- Robotics
- Battery Technologies
- Industrial

WHY CHOOSE A BACHELOR OF SCIENCE IN INDUSTRIAL ENGINEERING TECHNOLOGY AT MSSU?

You will...

1. Be career ready upon graduation
2. Gain relevant knowledge and skills
3. Be taught by experienced faculty who care about your success
4. Be sought after by companies wanting to excel in an increasingly competitive world market

The manufacturing lab, located in Ummel Technology Building, is a modern facility where students learn about manufacturing processes. It contains full-size industrial equipment like CNC machining centers, 3-D printers, and industrial robots.

The hands-on material testing lab allows students to gain experience on metallurgical prep equipment and microscope, impact tester, universal testing machines, hardness testers, and more.

This degree is great for you if you...

- Like solving problems
- Like learning by doing
- Like working with people
- Have a desire to find ways of doing things better
- Want a job where you are up and about, NOT behind a desk all day

This is an equal opportunity employer/program. Auxiliary aids and services are available upon request to individuals with disabilities.
